

Create a Guest Account from On-Campus

*Already have a Middlebury username and password or an existing guest account? If so, you're all set. Just select the **MiddleburyCollege** wireless network then connect using your credentials.*

1. Turn on your wireless device then select the **GuestAccountCreation** wireless network.
2. When you open a web browser, you'll see *Welcome to Middlebury College!* Please review our responsible use policy then click the **I Agree** button.
3. From the *Guest Registration* page, you'll click **Register a New Guest Account**.
4. Fill in the required information as requested, then click the **Create** button.
5. You'll see a *Verification* screen stating that a message containing an activation link has been sent to the email address you provided.
6. Now you're almost there! To complete the guest account creation process, access your email account then open the message with the subject line "**Welcome to Middlebury College Guest Network.**" (Don't forget to check your Junk or Spam folder.)
7. Click the verification link in the message. You'll see the *Success* screen, confirming that you may now use the specified email address and password to access designated Middlebury services.
8. You're all set! You may now select the **MiddleburyCollege** wireless network on your device then connect using your new guest account credentials. Enjoy!

Forgot Your Guest Account Password? Here's What to Do:

1. Turn on your wireless device then select the **GuestAccountCreation** wireless network.
2. When you open a web browser, you'll see *Welcome to Middlebury College!* Click the **I Agree** button to accept the terms of our responsible use policy.
3. From the *Guest Registration* page, click **Forgot password – Guest**.
4. On the *Password Reset Request* screen, type in the email address you used to create your guest account, then click the **Submit** button. A message containing a password reset link will be sent to this email address.
5. Now, access your email account then open the message with the subject line "**Reset Your Middlebury Guest Password.**"
6. Click the password reset link in the message, then create a new password as directed.
7. Click the **Submit** button. You'll see *Password Reset Success*, confirming that your password has been reset.
